

# COWSIGNALS TRAINING COMPANY

## Unique Dutch Dairy Experience

In and around the CowSignals® training center in Bergharen, The Netherlands

Welcome in Holland! We like to invite you to our practical top education. We look forward to share our experience and knowledge with you. It is based on practical solutions and science, and practically tested by very good farmers in 45 countries. We also show you some top design dairies with very efficient managers, here in the dairy valley of Maas en Waal.

We start the day with interactive lecture on CowSignals and longevity. The secrets of dairy farming... where are the hidden profits in your dairy? We supply excellent examples and arguments to make the difference. You learn to LOOK better, THINK and understand more of the causes of wounds, lameness and empty rumens, and ACT to increase your output. A nice lunch is provided and then we will do a practical workshop on farm to exercise your new skills of observation and understanding cows. It will be a wonderful day!

We like you to stay one more day to learn about ClawSignals.

Day 3 can be an excellent day with focus on YoungstockSignals.

Do you like to learn more about FertilitySignals, DryCows, Udderhealth, Building for the Cow, or Robotmilking? Let us know so we can adapt the program to your wishes.

**CowSIGNALS**®  
learn & earn

**VETVICE**  
Happy cows, happy farmers

# COWSIGNALS TRAINING COMPANY

## **Example Program:** (you can design your own program!)

Day 1: CowSignals interactive lecture in the morning and afternoon workshop between the cows. Learn to read their bodylanguage!

Day 2: ClawSignals interactive lecture in the morning and afternoon workshop in a barn

Day 3: YoungstockSignals lecture in the morning, 2 farm visits in the afternoon

We are training farmers and advisors in more than 45 countries.

We can guarantee you that you will get more happy cows and happy farmers, after this visit.

## **Price calculator:**

\* Day fee for CowSignals trainer from 1490 euro per day for the whole group.

\* Day price per person for lunch etc. 75 euro per person per day

This includes: lunch, coffee, drinks, use of CowSignals training center, handout, hygiene, coveralls/boots and disinfection, and farm visit fee.

So with 15 persons it will be 1490 euro + (15 x 75 euro=) 1125 = 2615 euro per day.

This is 174 euro per person per day.

## Excluded:

\* Hotel, breakfast, diner ([www.hoogeerd.nl](http://www.hoogeerd.nl)) from 90 euro per person per day

\* Tax 19% (can likely be refunded by your own tax company)

\* Transport to Holland (flights into Schiphol, or Eindhoven or Dusseldorf or Weeze),

\* Driving in Holland: rental car/ own car

\* Drinks in the bar

\* CowSignals & Future Farming books to be ordered at [www.cowsignals.com](http://www.cowsignals.com)

*CowSignals training center, and in barn workshop in Bergharen, Holland*

# COWSIGNALS TRAINING COMPANY
